1. What is GasNetworks?

GasNetworks is a collaborative of local natural gas companies that promote energy efficiency.

2. What is the purpose of the GasNetworks Rebate Program?

The program is designed to encourage the installation of energy-efficient products. Your gas company provides a rebate to cover a portion of the additional cost of energy-efficient products versus standard products.

3. How can I recognize this equipment?

Look for the ENERGY STAR label, check with your local distributor or installer or contact our rebate administrator at 1-800-232-0672.

4. When will I receive my rebate?

Please allow 4-6 weeks after we receive the completed and signed rebate form.

Terms and Conditions

Customer Eligibility: You must be a residential natural gas heating customer of a participating GasNetworks utility installing ENERGY STAR – labeled window(s) in an existing home. Window(s) installed between December 1, 2008 and December 31, 2009 are eligible. Window(s) must have been installed at the installation address on the front of the application. Rebate is for replacement windows only. Application and required documents listed must be received by GasNetworks within 30 days of installation.

Installation Verification: Prior to honoring any rebate, GasNetworks reserves the right to conduct an on-site verification that the windows were installed according to the guidelines of the program. It does not include any kind of safety or code compliance review and should not be relied upon as such.

Warranties: GasNetworks and its Vendor do not endorse, guarantee or warrant any particular contractor, manufacturer, or product. GasNetworks and its Vendor do not make any representation of any kind regarding the results to be achieved by the window(s) or the adequacy of such window(s).

Changes to Windows Rebate Program: Program is subject to change without prior notice, and rebate offers may increase or decrease at any time.

Tax Liability: Participants of the program may be subject to tax liability for the value of goods and services received through the program pursuant to state or federal income tax codes.

GasNetworks and its Vendor are not responsible for any tax liability which may be imposed as a result of receipt of rebates from the natural gas utility to the customer.

Liability: GasNetworks and the vendor are not responsible for any loss or damage that may be caused as a result of the installation of the products or equipment.
